

How to take a meter reading S2 E7 Kaifa

Your fancy smart meter sends us readings automatically, so there's no need to worry about estimated costs. You'll always pay for what you use.

Sometimes though we might need to take a manual meter reading – we'll let you know if you ever need to – otherwise you can sit back, relax and let your smart meter do the work!

You can also use this guide to take a look at your day and night readings if you'd like – your Smart Display will show you your total usage under '**Meters**':
